Board of Directors Executive Session Minutes
August 7, 2007

1. MOTION – Bob made a motion to begin a stake survey for all common properties with priority given to the wet and dry ponds. Nancy seconded the motion.
Motion Passes

Nancy indicated that Bethal Title, the company hired to do the title search for common properties has completed roughly two-thirds of the work and currently there is a deed to WFCA for the wet ponds number 4,5,6 & 7.

2. Nancy learned from the DNR that the muskrat trapper has been without a license to trap muskrats for the past two years. The board agreed not to pay the trapper for the two muskrats he caught in April.
3. MOTION - Nate made a motion to turn past due homeowners' fees over to a collection agency. The motion was seconded by Tana.
Motion Passes

Respectfully submitted by Sherry Knighton-Schwandt
